Government Services.

Now a days in our country, due to the increase in population, it is very difficult to get a job. Besides this, our government is also not able to solve this problem. So, every young person goes to foreign countries to secure a job after studies.

The follower of Krishnamurthy Paddhathi can only judge one's horoscope properly to guide that one will be an employee or an independent professional.

I have extracted the birth details of the 15 natal charts from Sri. Tin Win Ji through k_p_systems @ yahoogrous to analyze this chapter **"Government Services"** as follows-

All the charts are erected with the help of KP Astro 3.5.

(1) Sun and Moon are the Prime Significators for Government. So, these two planets are called Royal Planets.
(2) Leo and Cancer are the own signs of Sun and Moon. So, these two signs are called Royal Signs.
(3) Krittika, Uttara, Uttarashadha are the constellations of Sun. Rohini, Hastha , Sravanam are the constellations of Moon. So, these six stars are called Royal constellations.
(4) 2nd house is for receipt of money, finance
6th house is for services.
10th house is for Profession, name and fame.
11th house is for the fulfillment of desire.
So, these four houses (2-6-10-11) should be connected well to Sun & Moon: Leo & Cancer: Sun's stars and Moon's stars.

Now we can frame the following two rules by considering the above-mentioned facts as (A) and (B).

(A) If the 6th cusp sub lord is in any way connected to the Royal Planets, Royal signs or the above mentioned six stars (Krittika, Uttara, Uttarashadha, Rohini, Hastha, Sravanam) by conjunction, association, position or aspect, then we can predict very boldly that the native is in Government Service.
(B) If the 6th cusp sub lord is a significator of 2-6-10-11, then also the native will be an employee.
